

The Seagull's Chatter

Deale Beach Citizens Association Newsletter January 2022

Dear Deale Beach Community,

On behalf of the Board of Directors, we hope you had a restful holiday season filled with family and friends.

As you may recall, during the October 26th meeting the community voted in favor of amending the Deale Beach ByLaws Section 1.5. The amended ByLaws are attached to this newsletter.

In addition, the community approved the 2022-2023 budget with 34 Yes and 6 No. This is great news, as the change allows the community to adjust to inevitable cost increases.

We now have a way of communicating any suggestion or question you may have to the Board. No worries about who has changed office or a change in their email address! Please use this: dealebeach@gmail.com

Have a Healthy and Happy New Year!
