

The Seagull's Chatter

Deale Beach Citizens Association Newsletter
June 2021

Community Meeting - Tuesday, June 22nd, 7 pm

Please join us for a community meeting to discuss the state of the 6th Street bulkhead (where the boat ramp is). Fundraising ideas will be discussed. ALL ideas will be heard and welcomed!

Are you interested in getting involved with the Deale Beach Community Association?
Future vacant positions: Vice President, Secretary and 2 Governor spots

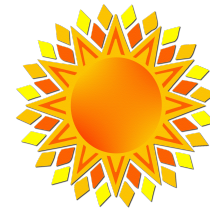

DEALE BEACH COMMUNITY DAY

SATURDAY, JUNE 12, 2021

1PM-3PM

THE MAIN STREET BOAT RAMP

light refreshments will be served (BYOB)

Stop by and say hello to old friends or make some new ones!

Enjoy some music, meet new people and play some cornhole all while learning about the latest happenings in Deale Beach

Alternate location will be the Community Center in the event of rain

Community News and Announcements

- Boat ramp keys are available for 50.00. Text Allen Smith at 917-683-7774 to arrange pickup
- Resilience committee(Allen Smith) reports that the living shoreline project is on track to meet the next deadline slated for August pending permit approval. (See page 3 for details on the project)
- Are you in need of some new reading material? Check out the Little Library located in front of the Community Center. Leave a book and take a book!

The Deale Beach Community Association would like give a special thank you to Joe Schmidlein and Ronnie Shaw for sanding and finishing the benches at 6th and Bay.

Thanks also needs to go out to Trever Belden and his family for the donation of a refrigerator to the Community Center.

Design to submit for permits and approval

Deale Beach Community Resilience Project Living Shoreline for 6th Street and Bay

- Current wall and grassy area to remain in place
- Slope 6.5:1 from top of wall to beach – *fill of cobble/sand mix*
- Planting of beachgrass/saltmarsh hay – *will not impair current visibility*
- Path to allow access to the sandy beach
- Rock structures – *reduce the force of wave action*
- Shrub plantings – *screen neighboring properties & enhance critical area buffer*
- Permit phase – *to begin after community approval*
- Construction phase – *anticipated to begin summer 2020*

Project funding - Maryland Dept. of Natural Resources, Coastal Resiliency Program

Design Build Project - Sustainable Science LLC
